

INTERVIEW PREP • GY FIT

The 6 questions every fresher always gets.

They're the same everywhere — so why wing it? Here's the exact reply to each, in one line 📌

HR

"Tell me about yourself."

You've got a structure. 🙌

YOU

THE OPENERS

HR

Tell me about yourself.

You → Present → strength + proof → why this role. 30s.

YOU

HR

Why should we hire you?

You → Match your #1 strength to their exact need.

YOU

THE TRAPS

HR

Your biggest weakness?

You → A real one + the fix you're already working on.

YOU

HR

Where do you see yourself in 5 years?

You → Growth + commitment — not a job title.

YOU

THE CLOSERS

HR

Why this company?

You → One specific, researched reason. Never 'good culture'.

YOU

HR

Any questions for us?

You → Always yes. Ask 2 — about the role, not the perks.
