

5 ways to actually help a friend get hired

Swipe → 🧡

1

Share a job that fits them

See a role they'd be perfect for? Send it their way. Ten seconds from you, a real shot for them.

 **Share the link • 10 sec**

A shared link has started more careers than any job board.

2

Refer them

A warm intro beats a cold application every time. Vouch for them – it carries real weight.

up to 4x

faster to get hired, when referred

Your name on a referral opens a door a résumé can't.

3

Send them a **free test**

Help them prove what they can do – not just what's on paper.

✓ **GY SAT • 100% FREE • 20 min**

One free score, and employers start reaching out to them.

AND THE LAST TWO 🤍
