

Freedom from broken hiring

6 things AI fixes →

Fix 1 of 6

Reads every CV

No good candidate slips through the pile, ever.

Nothing missed

AI does the heavy lifting; your team makes the human call.

Fix 2 of 6

Ranks on **fit**, not bias

Shortlists on skills and evidence – not the name or the college.

Fairer shortlists

AI does the heavy lifting; your team makes the human call.

Fix 3 of 6

Minutes, not weeks

Sourcing and screening that used to take weeks now takes minutes.

Faster time-to-hire

AI does the heavy lifting; your team makes the human call.

Fix 4 of 6

Reaches **more talent**

Surfaces strong candidates you'd never have found by hand.

Wider reach

AI does the heavy lifting; your team makes the human call.

Plus **lower cost** & full transparency

- 5. Lower cost per hire
- 6. See the "why" behind every match
