1 NOVEMBER

New month. Same resume?

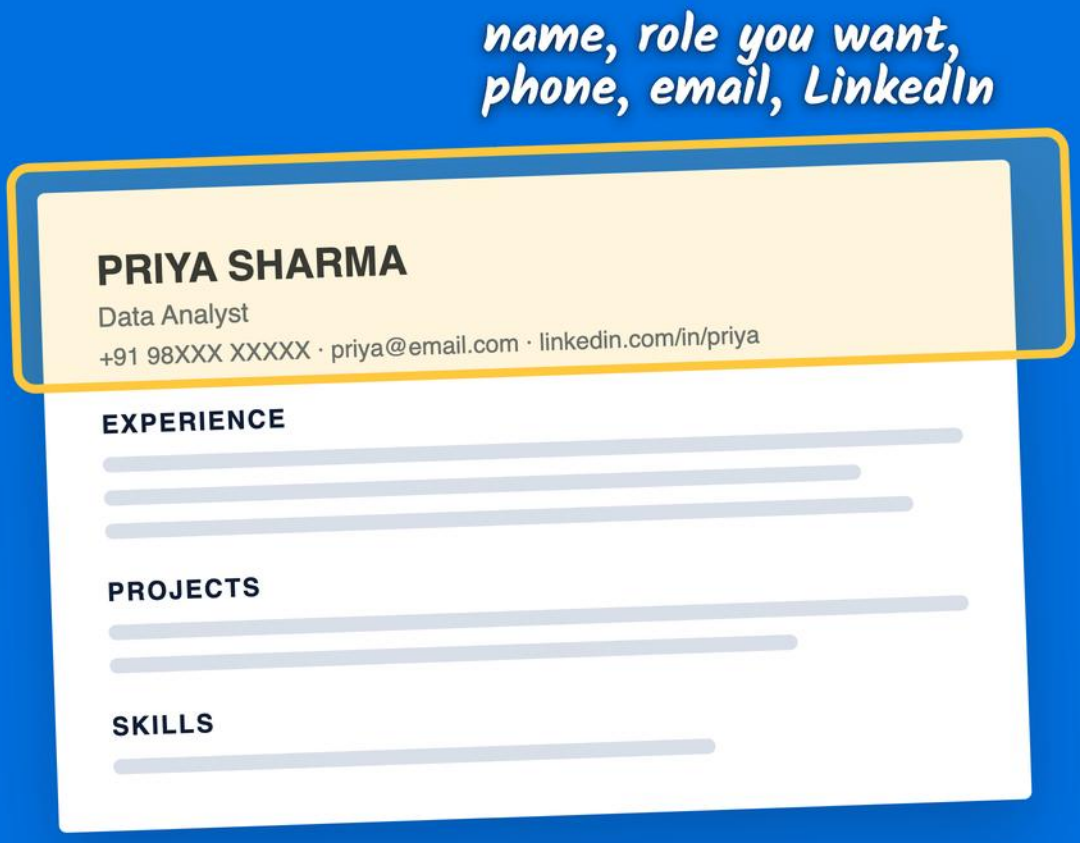

5 fixes to make before November's applications go out.

FIX 01

Update the top third.

Recruiters decide here whether to keep reading.

FIXES 02 + 03

Cut the old.
Lead with the best.

Drop anything older than it's useful. **Put your strongest project or internship first, not your oldest.**

FIXES 04 + 05

Swap duties for results.

BEFORE

~~Handled social media~~

AFTER

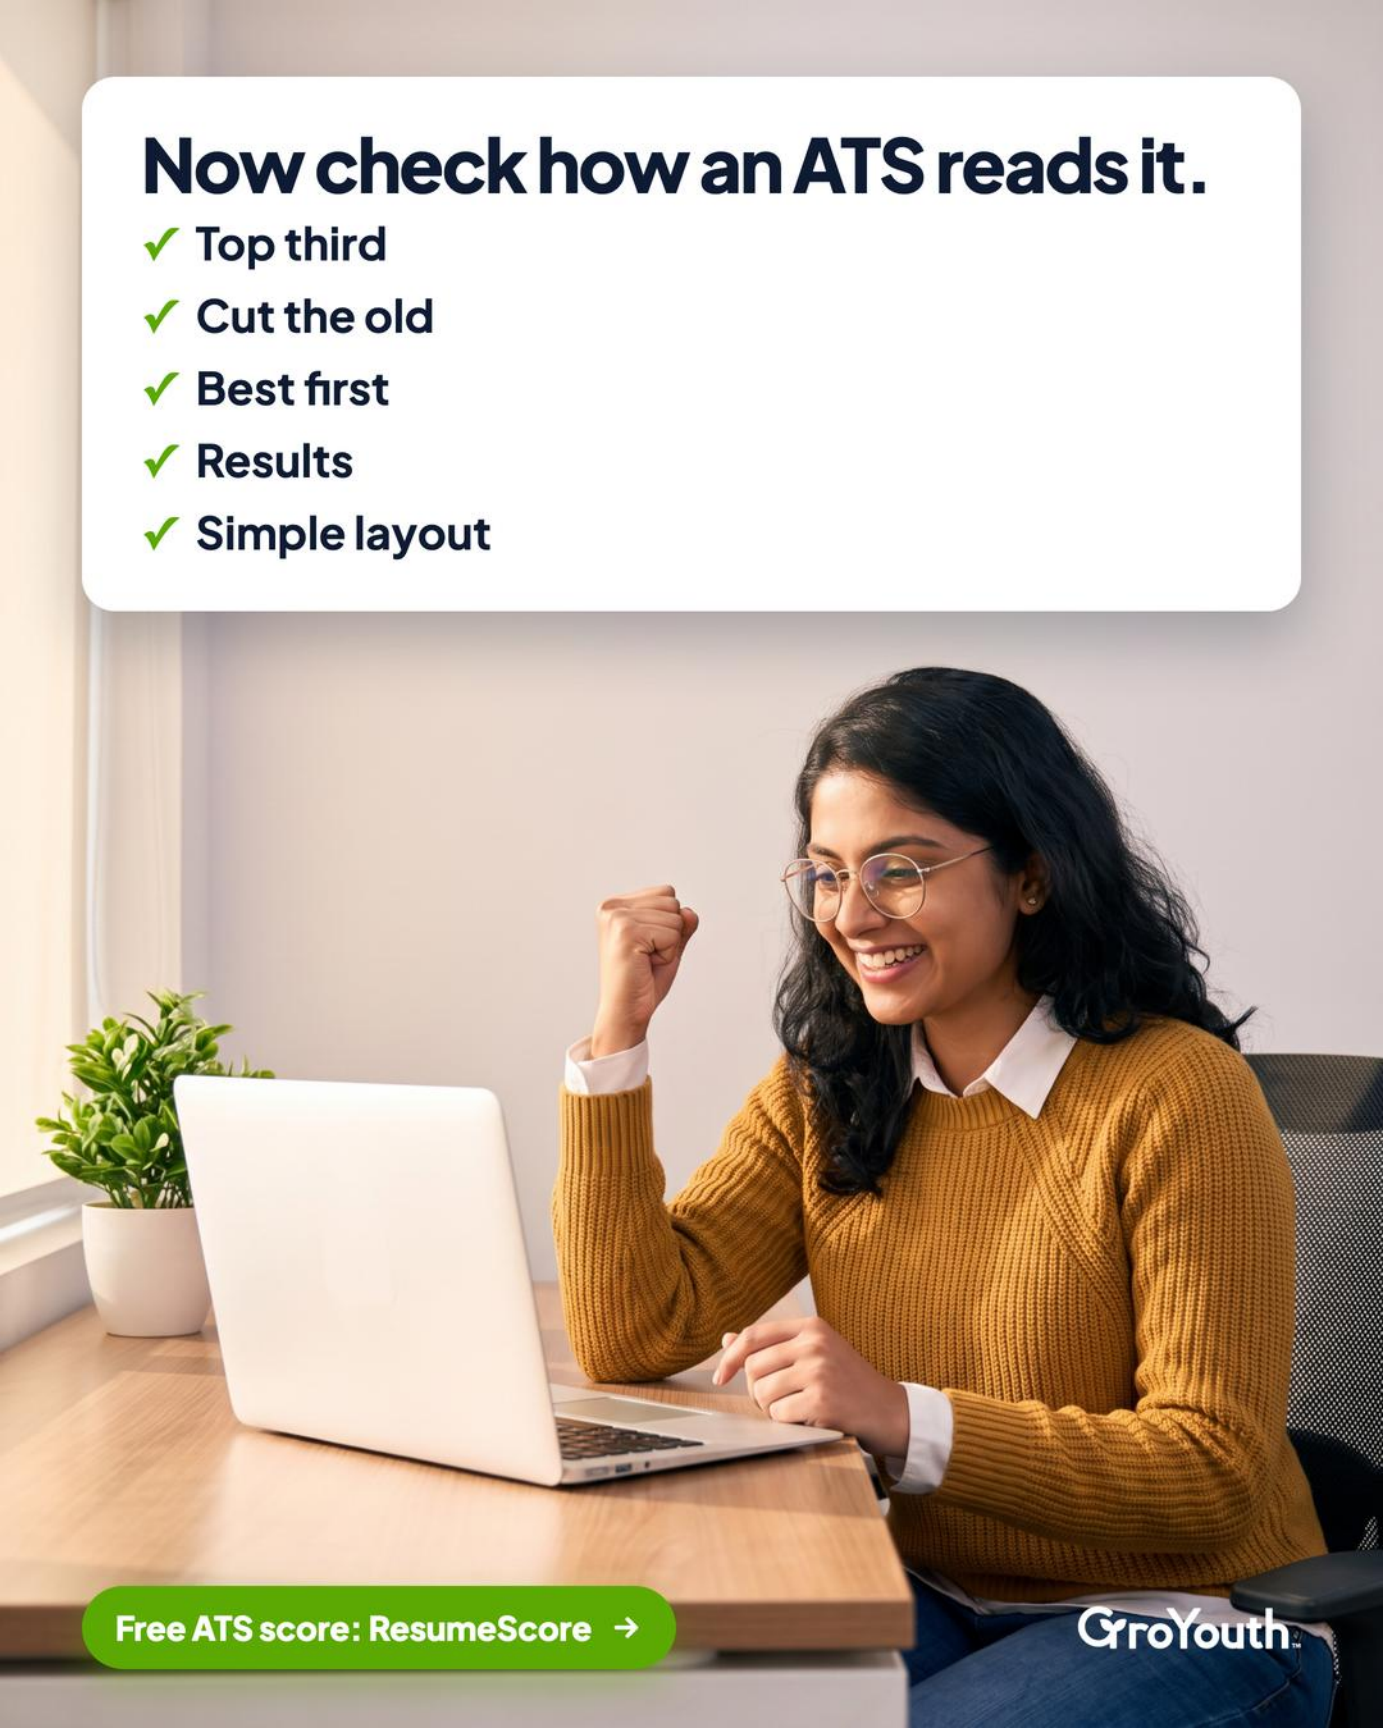

Grew page from 300 to 1,100 followers in 3 months

One font. One column. No tables.

The layout a human and an ATS can both read.

Now check how an ATS reads it.
