SAME RESUME FOR BOTH?

Campus vs off-campus.

ON CAMPUS

A human panel often reads it.

Put **CGPA, projects and positions of responsibility** up top.

OFF CAMPUS

An ATS usually reads it first.

Mirror the job description's keywords. Plain layout.

BOTH VERSIONS

Three rules never change.

1 One page

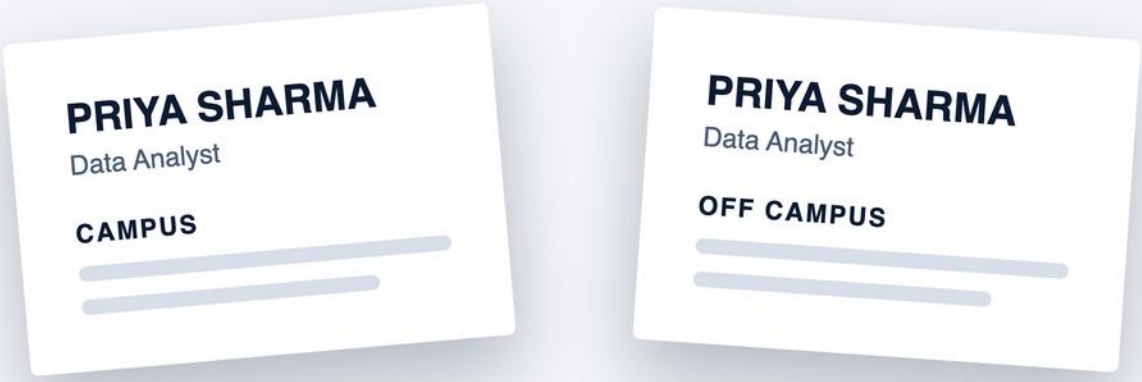

2 Numbers in every line

3 No photo unless asked

ONE MASTER

Two versions. Ten minutes.

Check the off-campus one with a free ATS score.
