

JOB SEARCH • OUTREACH

Messaging a recruiter feels cringe.

Done right, it works — and beats waiting on the portal. 📌

WHY MOST GET IGNORED

No context, all ask — easy to skip.

Recruiter • Talent

Hi, any openings?

[500-word life story]

**Please refer me for
anything**

sent to a stranger

 **A busy recruiter gives you one glance. Give them a reason to reply, fast.**

THE MESSAGE THAT WORKS

Specific • short • one soft ask.

Recruiter • Talent

Hi [name] 🙋

**Saw [company] is hiring
for [role]. I've done [1
relevant thing].**

**Happy to share my CV if
useful — thanks either
way!**

specific + low-pressure

💡 Fill the 4 brackets and you're done. Notice: an exit that isn't needy.

FOLLOW-UP + ETIQUETTE

One nudge, then let it go.

✗ 5 messages in 2 days, or 'why no reply??'

✓ One polite nudge after 4–5 days, then stop.

✗ Copy-paste blast to 50 recruiters.

✓ Connect first, then message — and always say thanks.

 **Recruiters talk to each other. Be the candidate they remember warmly.**
