STEP 1 — GET READY

Before you apply to anything.

ATS Resume Score

See exactly what a hiring bot reads on your CV — free score + the fixes.

GY Fit

Practise the interview questions every fresher gets, and check role fit.

Get the resume + interview right first. It changes every application after.

STEP 2 — GET SHARP + SUPPORTED

Skills, and a hand on the hard days.

GY SAT & GY Skill

Find the skills that fit you, then build the in-demand ones fast.

GYPSY & GY Assist

An AI companion for the 2am spirals — plus real career psychologists.

 **The job hunt is a marathon. Sharpen your skills and protect your head.**

STEP 3 — APPLY

Now put it all to work.

The GroYouth job board

Live openings across sectors — freshers welcome, new roles added daily.

IT ALL CONNECTS

Get ready → get sharp → apply. Each step makes the next one work better.

 **You don't have to use all of it — but it's all there, and all free.**

ALL FREE. START ANYWHERE.

Your hunt, one place.
