

FOR CAMPUSES 📖

The placement report that impresses everyone

Swipe →

1

% of students job-ready

One number management and parents care about: how many are genuinely employer-ready.

2

Skill gaps, closed

Show the before-and-after — how far coaching actually moved your students.

Skill-ready before coaching

38%

A horizontal bar chart with a light blue background. A gold-colored segment on the left represents 38% of the total bar. The percentage '38%' is written in white text inside the gold segment.

Skill-ready after GY Campus

86%

A horizontal bar chart with a light blue background. A gold-colored segment on the left represents 86% of the total bar. The percentage '86%' is written in white text inside the gold segment.

3

Offers + conversion

Not drives held – offers made, accepted, and the employer feedback behind them.

Students placed
